I beg you...

Don't go...

Dexter Joon, Joon's senior, Dixie...
They have all died...

Only thing we have
is a photo.
We couldn't find out
anything from that...

We even have
lost our memory.
we don't have any
choice...

So let's get
out of this...

I don't want to
see anyone die
again...

What about you,
Jessie?
Are you coming
with me?

Of course!!

Even if you
didn't go...

I was thinking
about going
there myself...

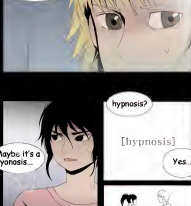

Do you think
this will help us
find our
memory???

I hope it
does...

Mike, I have lied
to you...

Huh?

My memory
weren't cutted
like you guys...

It's just too
vague....

I've lied to you
because I didn't
wanted to be
suspected...

Didn't you ever
thought about
how ore memory
was erased???

I don't think
is something
like brain
surgery...

What's your
opinion???

hypnosis?

[hypnosis]

Yes...

Maybe, it's a
hyonosis...

So...

My memory is different
than your memory. it
means that this is not
100% perfect...

Somebody have
erased our
memory of past...

And the psycho
wants our memory
to come back..

But is it possible
to erase memory
with hypnosis???

Well,
I don't know...

Oh, I was looking
for you...

??

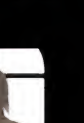

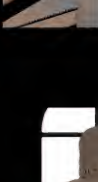

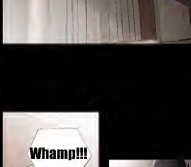

That big
fellow...

He have
just woke
up...

Why...

Why... Why...

...Am I
here???

Not even 1 photo...
